ATTN: Paul Coates, CEO

Dear Paul,

Thank for you for your letter regarding carers and the great work you do in the sector.

The Liberal Party recognises the outstanding contribution carers make to our community and how critical they are to the Western Australians they valiantly support.

In respect to the election policies put forward by Carers WA I can confirm a Liberal Government would commit to completing the review of the Carer Recognition Act 2004 as a priority. And we would be supportive of changes which enhance the rights and recognition of carers.

The Liberal Party would also work with Carers WA to identify what facilities and services are required to assist carers across the state and determine how they can be delivered.

We look forward to working with Carers WA in the future.

Kind regards,
