

# Community Champions Program

**Make a difference in your community**

Carers WA Community Champions are people with lived experience of disability who act as mentors and support for community groups and organisations to better improve access and inclusion.

- Bring about change for the disability community.
- Meet like-minded, passionate people.
- Receive FREE ongoing training.
- Work with committees, advisory groups, sports clubs and other community groups to bring about change for the disability community.

If you would like to get involved, please contact Carers WA on **1300 227 377** or email **[champions@carerswa.asn.au](mailto:champions@carerswa.asn.au)**
