

Did you know that 1 in 9 employees are likely to be carers? There are 2.65 million carers in Australia and 75% of those are of working age.

A carer is someone who provides unpaid care and support to family members and friends who have a disability, mental health challenge, chronic condition, terminal illness, alcohol or other drug dependency or are frail aged.

Be an employer of choice.

Carers WA have specific support services, resources and opportunities for tailored consultation sessions to assist organisations in fostering inclusive, efficient and productive carer friendly workplaces.
